

UTAH REDISTRICTING  
*Legislative Committee*

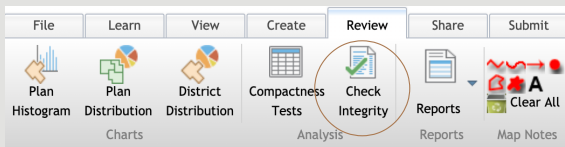

# How to Submit a Map

1

Under the "File" tab, click "Save As" and save your map with a new name that identifies the map type  
(Examples: *Congressional\_JohnSmith, Senate\_JaneDoe*)

2

Under the "Review" tab, check the integrity of your map

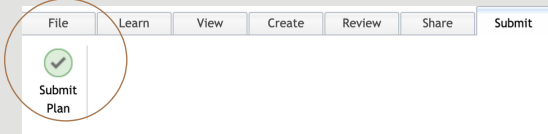

3

If your map did not pass the integrity check, fix any problems identified.

4

Under the "Submit" tab, submit your plan.  
(*Submitting a map makes it publicly available.*)

5

Before submitting your maps, enter information in all required fields then click "Submit Plan"

Scan the QR code for  
videos on how to use  
the Esri software.

**Submit Plan**

When a redistricting map/plan is submitted, the plan name, the plan type (i.e. congressional, senate, house, or school board), the general description of the plan, and the name of the person who submitted the plan will be published to redistricting.utah.gov where the public may view and comment on the plan.
